Cushman & Wakefield Recognition Trip / 2017 Cancun Mexico

## The New 2017 Cushman & Wakefield Top Producer Trip

THE RETREAT is a single recognition event for the Americas to celebrate the accomplishments of our most outstanding producers and professionals.

This event, held annually at a luxury resort, offers not just an opportunity to meet other top-performing producers and executives from across the Americas, but also a chance to relax and enjoy the benefits of your valuable contributions to Cushman & Wakefield with a guest of your choice. The connections and lasting friendships made during this retreat will further enhance your individual and our collective productivity and success.

Invite criteria are as follows:

- Our top 125 brokers based on cash production in the U.S., Canada and Mexico will be invited.
- Executive leaders and select outstanding producers referred by their discipline will also be in attendance.

Save the dates will be sent in the first quarter of next year, and all arrangements (hotels and flights) will be coordinated by our event team.

The 2017 recognition event will be held at The Ritz-Carlton Cancun, a luxury resort, only 20 minutes from the airport. You and a guest can enjoy the warm afternoon breezes from a luxurious poolside chaise or your own personal balcony along one of the finest beaches in Mexico. Those of you who qualify for THE RETREAT can look forward to this tropical getaway at the end of April next year. Scheduled activities will take place April 24-26, with an additional optional day on April 23 for those looking to start their retreat a day earlier.

In addition to THE RETREAT, I am excited to share that each market will recognize top producers at an exclusive dinner. And we are discussing possible events for our three Regions—Tri-State, East, and West.
